

Statement regarding use of non-GAAP financial measures

In this press release, the Company's financial results and financial guidance are provided in accordance with accounting principles generally accepted in the United States (GAAP) and using certain non-GAAP financial measures. Management believes that presentation of operating results using non-GAAP financial measures provides useful supplemental information to investors and facilitates the analysis of the Company's core operating results and comparison of operating results across reporting periods. Management also uses non-GAAP financial measures to establish budgets and to manage the Company's business. A reconciliation of the GAAP financial results to non-GAAP financial results is included in the attached schedules.

Following is a description of the adjustments made to GAAP financial measures:

- Acquisition - amortization of intangible assets: Represents recurring amortization charges resulting from the acquisition of intangible assets, including developed technology and database rights.
- Acquisition – transaction related costs: Costs related to closing and integration of acquired companies
- Tax impact related to equity compensation – Changes in effective tax rate based upon ASU 2016-09
- Earn-out true up – Non-cash expenses related to valuation adjustments of earn out payments tied to recent acquisitions
- One-time debt restructuring charges – Charges related to the restructuring of the company's debt from a one-year term loan to a revolving credit facility
- One-time non-deductible tax penalties – One-time tax penalty associated with payroll audit
- Impairment of Raindance Investment – One-time impairment charge associated with Myriad's investment in Raindance Technologies

The Company encourages investors to carefully consider its results under GAAP, as well as its supplemental non-GAAP information and the reconciliation between these presentations, to more fully understand its business. Non-GAAP financial results are reported in addition to, and not as a substitute for, or superior to, financial measures calculated in accordance with GAAP.
